ABOUT THE EVENT

Ozanam Charitable Pharmacy, a 501(c)(3) non profit organization, will host its **3rd Annual Jazz & Cocktails: Rx for A Cause** on Thursday, May 14, 2020 in downtown Mobile. As our major fundraiser for the year, this incredible event features live jazz performances by a variety of well-known local jazz bands, with a cocktail bar of signature spirits, and scrumptious fare reflecting the Gulf Coast area's favorite creole cuisine. An exciting silent auction to include some of Mobile's most talented artists, painters, and sculptors, along with unique hand-made crafts, and music collections are a highlight of the event! A new feature this year will be fun-filled Jazz Trivia segments, between band breaks, for guests to win special prizes.

ABOUT OZANAM CHARITABLE PHARMACY

Our organization serves as Alabama's ONLY prescription medication safety net for poor and uninsured individuals by providing life-saving medications for thousands of seniors and working people, who lack medical benefits.

Our mission is to ensure that those in need, with health concerns, do not have to choose between taking their medications or providing food for their families. **The 3rd Annual Jazz & Cocktails: Rx for A Cause** will once again unite Ozanam supporters, community partners, local artists, foodies, and lovers of the jazz genre for one incredible evening of fun while fundraising for a great cause.

In 2019 Ozanam provided over 1704 patients with a retail value of over \$2.89 million dollars in medications. Our life sustaining medications are dispensed to patients suffering from chronic illnesses like diabetes and heart disease who could not access their medications without Ozanam Charitable Pharmacy. Ozanam relies on support from the community to help us to purchase the life sustaining generic medications for our patients. Each sponsorship level provides great opportunities for exposure for your organization. In addition, we are seeking committee members to help us plan this event, especially those who are passionate about the mission of Ozanam Charitable Pharmacy. We cannot continue to further the mission of the organization without your help.
