Dear Friends,

Ozanam Charitable Pharmacy is a medical safety net for uninsured residents who cannot afford necessary prescription medications. Qualified low-income residents of Mobile, Baldwin, Washington, and Escambia (AL) counties receive life-sustaining medications, free of charge, to manage their health issues. Keeping our patients connected to their medications reduces the number of emergency room visits to already overburdened health facilities. It contributes to the overall health and well-being of families and communities. Ozanam believes that "Healthy People Build Healthy Communities."

Like so many other non-profit organizations, Ozanam Charitable Pharmacy relies on donors and benefactors' generosity and financial support to provide the resources needed to continue our work. We are currently planning Ozanam's Jazz Extravaganza - our 2024 premier fundraiser. We invite you to join in our important work and support this vital fundraiser by becoming a sponsor and/or donating to our event.

The event will be held on Friday, June 28, 2024, from 6 pm - 9 pm, at The Grand Hall in Mobile. A Sponsorship Form is enclosed for your convenience. All sponsors/donors will be acknowledged and provided with a receipt.

Thank you for your time and consideration of our request. We hope you will join us in our mission of service to those in need. If you would like to learn more about our organization or the Jazz Extravaganza, an Rx for a Cause Event, email abridges@ozanampharmacy.org, like our Facebook page, or go to www.ozanampharmacy.org.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. Copies of these documents are also required to be provided to any individual upon written or in person request without charge other than reasonable fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or you may call our toll free number shown above.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.
